John,

31 Dudley Road Manchester M16 8FW - 131829/TCA/2021

I have viewed the applicant's proposals (which can be seen below) and comment as follows:

The applicants pruning work would be considered responsible routine tree management practice.

- ***T1 - Cherry - Reduce crown by up to 2 metres and crown lift by up to 2 metres - Tree's is getting too close to the back of the houses***
- ***T2 - Laurel? - Reduce height by up to 2.5 metres, up to 1.5 metre reduction to sides***
- ***T3 - Laurel - Reduce height and sides by up to 1 metre***
- ***T4 - Acer - 1 metre reduction***
- ***T2, T3 & T4 Trees are getting too big to let light in to front of the house***

To confirm, we would have no objection from an arboricultural perspective.

Kind regards
