Part 1 – Particulars of the application/development

Proposal: Conversion of an existing three bed flat to two no. self contained flats (1 x 1 bed and 1 x 2 bed)

Location: Top Flat , 366 Barlow Moor Road, Manchester, M21 8AZ

Date of application: 11 October 2021

Application number: 131728/FO/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed against the policies within the Manchester Core Strategy Development Plan Document (2012), the Manchester Residential Quality Guidance (2017) and the guidance contained within the National Planning Policy Framework (2021). The applicant was advised that the proposed residential accommodation would not be appropriate due to the poor standard of accommodation proposed and the inadequate provision for waste storage. As the nature of the proposal was considered to be unacceptable and the applicant has requested that the proposal be determined in its current format, a solution that was acceptable to both the Local Planning Authority and the applicant could not be reached.

Reason(s) for decision

1) The development, due to the size of accommodation proposed, would lead to the creation of poor living standards. As a result, the proposal would be contrary to the guidance contained within the Manchester Residential Quality Guidance, the National Planning Policy Framework, the National Design Guide and policy DM1 in the Manchester Core Strategy.

2) The proposed development would not provide adequate waste storage and recycling facilities for the future occupants of the residential accommodation. As a result, the proposal would be contrary to policies DM1 and EN19 in the Manchester Core Strategy.
