Part 1 – Particulars of the application/development

Proposal: Creation of external seating areas

Location: Dog And Partridge , 667 Wilmslow Road, Manchester, M20 6RA

Date of application: 9 August 2021

Application number: 131040/FO/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal would not improve the social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposed outdoor seating area on Wilmslow Road would, result in the reduction of available footpath and increased pedestrian activity that would be detrimental to highway safety. The Wilmslow Road seating area would be contrary to saved policies DC10 of the Unitary Development Plan for the City of Manchester and policies SP1, C10 and DM1 of the Core Strategy for the City of Manchester.

2) The proposed outdoor seating area on Warburton Street would have a detrimental impact on the amenity levels of the occupiers of nearby residential accommodation by reason of increased noise levels from the general activities associated with the use of

the seating area namely, increased comings and goings, and raised voices; which would have an unacceptable detrimental impact on the residential amenity of local residents, particularly the residents of Warburton Street. The proposal for outdoor seating on Warburton Street would be contrary to saved policies DC10 and DC26 of the Unitary Development Plan for the City of Manchester and policies SP1, C10 and DM1 of the Core Strategy for the City of Manchester.
