13th August 2021

Dear Eddie

As per the Dalata procedure, we will accommodate and allocate hotel guest with bicycles the spacious Executive Bedrooms to enable them store their bikes in their rooms when the cycle store at Ground Floor is full – this will cover a further 16 no cycle spaces and make up the 33 number spaces as required by Planning Condition 23 and illustrated on the Architect's Floor Plans.

Kind Regards

Filiz Smith
General Manager
