

## **Important – Planning permission & notices of consent**

### **Compliance with conditions**

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email [planning@manchester.gov.uk](mailto:planning@manchester.gov.uk)

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

- o Location Plan with application site edged in red, received by the City Council as the Local Planning Authority on 10 August 2021.
- o Existing Elevations, DRAWING NUMBER PS231, received by the City Council as the Local Planning Authority on 10 August 2021.

- o Proposed 3D, DRAWING NUMBER PS432, received by the City Council as the Local Planning Authority on 10 August 2021.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) The external facing materials to be used on the extension hereby permitted shall match those of the existing building in terms of type, colour, texture, scale, pointing and coursing and as stated on the application form and approved drawings.

Reason - To ensure that the appearance of the building to be extended is not adversely affected by the materials to be used in the construction of the extension, pursuant to saved policies DC1 of the Unitary Development Plan for the City of Manchester and Policy DM1 and SP1 of Manchester's Local Development Framework: The Manchester Core Strategy.

4) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no windows or doors shall be inserted into the elevations of the development hereby approved other than those shown on:

- o Existing and Proposed Ground Floor, DRAWING NUMBER PS121,

The approved details shall then be implemented as part of the development.

Any further development must not compromise any existing remedial measures previously installed at the site as part of Planning Permission 067602/FO/NORTH2/03. Upon completion of the works, a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority, to ensure that the existing remedial measures have not been compromised.

Reason - The development site lies within 250 metres of a registered landfill site or in close proximity to a potential historical source of landfill gas. The existing development

has had remedial measures installed as part of Planning Permission 067602/FO/NORTH2/03. The current works shall not compromise the protection afforded by these earlier measures, pursuant to policies DM1 and EN18 of the Core Strategy.

6) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose(s) of Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the exceptional circumstances of a proliferation of HMO's restricting housing choice and adversely affecting sustainability and in the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policy 7.4 of the Guide to Development in Manchester: Supplementary Planning Document and Planning Guidance, the National Planning Policy Framework and policies SP1 and DM1 of the Manchester Core Strategy.

## **Informatives**

---

This decision relates to the extension or improvement of an existing dwellinghouse, falling within Class C3 of the Town and Country Planning (Use Classes) Order 1987 (as amended) and does not infer or imply approval for the use of the property for any other purpose.

Manchester City Council has made an Article 4 Direction to remove permitted development rights that allow for a change of use from Class C3 - *Dwellinghouses* to Class C4 - *House in Multiple Occupation*. This means that from 8 October 2011, planning permission is required for a change of use from a Dwellinghouse to a House in Multiple Occupation. Further information regarding the Article 4 direction can be found on Manchester City Council's website:

[www.manchester.gov.uk/info/200074/planning/4847/article\\_4\\_direction](http://www.manchester.gov.uk/info/200074/planning/4847/article_4_direction)

If you intend to use the property to which this decision relates for any purpose other than a dwellinghouse, you should first contact Manchester City Council's Planning Service. Failure to obtain any necessary planning permission prior to carrying out a material change of use or physical development could result in enforcement action being taken, which can have serious implications.

This permission does not grant approval under Building Regulations.

Julie Roscoe  
Director of Planning, Building Control & Licensing
