Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.

Part 2 – Particulars of decision

Manchester City Council gives notice that the following elements of the development referred to in Part 1 has been **granted** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Condition(s) attached to this decision

0) Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the application. Unfortunately in this case an agreed position could not be reached with regards to the hanging sign suspended below the balcony.

1) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

No advertisement shall be sited or displayed so as to:

(a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);

(b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.

Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Sign 2 drawing received by the City Council as Local Planning Authority on the 09.11.2021

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) The advertisement consent hereby granted only permits the display of the 1no. high level fascia sign and excludes the display of all other signage as shown on the submitted plans, namely the sign identified as balcony sign 1.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy and saved policies DC15.1 and E3.3 of the Unitary Development Plan for the City of Manchester.

4) The hanging sign suspended below the balcony as shown on the submitted plans, is excluded from the consent as it would by virtue of its size, location, design and appearance have a detrimental impact on the character of the area and constitute an unduly obtrusive, incongruous and over dominant feature within the street scene, which would contribute to advertisement clutter and have a detrimental impact on visual amenity.

Reason - The resulting visual clutter would have a detrimental impact on the visual amenity of the area and the proposed development contrary to policy DM1 of the Core Strategy Development Plan Document for the City of Manchester and saved UDP policies DC14.1 and DC14.5.

Manchester City Council gives notice that the following elements of the development referred to in Part 1 has been **refused** in accordance with the application and plans submitted for the reason(s).
