Part 1 – Particulars of the application/development

Proposal: Retrospective planning application for erection of front boundary wall and fencing and driveway gate.

Location: 11 Mardale Avenue, Manchester, M20 4TU

Date of application: 31 August 2021

Application number: 131532/FH/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused.

Reason(s) for decision

1) The retained 1.8m high gates together with the 1.8m high front boundary treatment would create an unattractive environment that would fail to enhance to the residential character and appearance of the area, to the detriment of visual amenity. The proposed development is therefore contrary to policies DM1 and SP1 of the Manchester Core Strategy, The Guide to Development in Manchester (SPD) and the National Planning Policy Framework (NPPF).

2) Due to the lack of visual permeability of both the retained gates and proposed front boundary treatment it is considered that the proposal would have a detrimental impact upon the levels of both pedestrian and vehicular highway safety within the vicinity of the site. As such, the proposed development is contrary to policies DM1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).
