Airport City North
Airport City North Enabling Works

Phase 1 Site Investigation Supplementary Note

The proposed planning application encompasses the works contained within the redline boundary indicated below.

RoC site investigation report '3733 Phase 1 Desktop Study MN/AS/p1 3733', submitted under approved planning application 121323/FO/2018, although submitted under a different planning boundary, the searches returned cover all areas captured within this current planning application. The findings of the report are therefore relevant to this application.

Subsequent to the planning application 121323/FO/2018 field work has been completed which cover the site encapsulated by the below red line boundary which can be seen by the attached borehole location plan.
