Notes:
Do not scale off this document/drawing/model for any purposes other than those required in connection with the application for planning consent for the project.

This document/drawing/model is prepared for the sole use of EPR Architects' employer and the benefit of the employer's permitted licensees. No liability to any other persons is accepted by EPR Architects.

EPR Architects accepts no liability for any use of this document/drawing/model by parties other than the party for whom it was prepared or for purposes other than those for which it was prepared.

This document/drawing/model has been prepared for use in connection with the application for planning consent for the project only.

Copyright in the design contained in this document/drawing/model remains vested in EPR Architects.

EPR Architects has prepared this document/drawing/model based on site information provided by a third party and which is included for reference purposes only. This site information has not been checked or verified by EPR Architects and EPR Architects accepts no liability for it.

The area information contained in this document/drawing/model reflects the anticipated approximate areas of the project based on the current state of the design. The areas have been calculated generally in accordance with the RICS Code of Measuring Practice, 6th Edition and have been calculated in metric units unless stated otherwise.

The approximate area information contained in this document/drawing/model do not include a contingency to allow for inaccuracy in the surveyed information, design development, construction tolerances, workmanship and/or design by others which may affect the stated and/or as-built areas.

When this document/drawing/model is issued in an editable form it is an uncontrolled version issued to enable the recipient to prepare their own documents/drawings/models for which the recipient is solely responsible.

This document/drawing/model is based on background information current at the time of issue. EPR Architects accepts no liability for any alterations or additions to or discrepancies arising out of changes to such background information which occur to that information after it is issued by EPR Architects.

EPR Architects has prepared this drawing/document/model using Revit 2019 and accepts no liability for any loss or degradation in the information held in this file format or from the recipient's reading of it in any other programme or a different version of the programme referred to above
