Hi Ben

Sorry for the delay, as there has been changes to outdoor shelters and marquees for Use Class E(b) that I wanted to check before responding to you. From the description of works that your client is looking to achieve, they sound to be both permanent and non-moveable and therefore a planning application would be required for the works.

Details on how to submit including application forms can be found on the Council website www.manchester.gov.uk/planning.
