Description of development

Consultations & Notification Responses

Environmental have no objection to the discharge of condition 4 (Gas membrane) attached to planning permission ref:128395/FH/2020.

Issues

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Condition(s) to be attached to decision for approval OR Reasons for recommendation to refuse

4) The measures shown on plan ref : GAS MEMBRANE DETAIL, received by the City Council as Local Planning Authority on 14 October 2021 are considered to be acceptable. On the basis that the development is implemented in accordance with the details on the above plan, condition 4 is discharged.
