- ☒ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☐ The use as a single dwelling house began more than four years before the date of this application
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

☐ Yes ☒ No

Please state why a Lawful Development Certificate should be granted

The properties use has not changed from its last known use. The last known use of the property was a cafe/dessert bar (Blueberry Desserts), upon closure of this establishment an application was submitted for a new restaurant (Istanbul Grill - 128052/FU/2020) but this was subsequently withdrawn due to that owner not wanting to move ahead, discussions with the council at that time established the use as a restaurant was lawful and formal planning procedures did not apply. My client, owner of Lahori Grill, looks to obtain an LDC to protect the continued use of the property as a restaurant. We believe an LDC should be granted as there is no change of use between the previous occupiers (Blueberry Desserts) and the new occupiers Lahori Grill.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
