Morning,

As per your previous email, the attached proposal has been amended accordingly and further required information such as Waste Proforma are also attached. Proposed plans and list of room names and sizes on page HRA-004 confirms the each room size as well as total area of the flat clearly meets the standards set within the Manchester Residential Quality guidance document.

Point 4 where you have mentioned regarding the forms need to reference the proposed extension, could you kindly guide me where i need to do that please? Would i go through the application form again and add in regards to the extension?

I look forward to hearing from you,

Kind Regards

Mudasir Nawaz
