Details of the pre-application advice received

We submitted drawings and an application under the above ref number and was granted permission for the build, we then realised that the application submitted was for 3meters. this would leave the internal size too short, we sought guidance from MCC and received an email from Tracie Simpson who advised to have more drawings done and another application submitted as we need to have an extra 30 centimetres added. so this application and drawings ask for 3.3 meters.
