5. Grounds for Application

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

This is an application for a Certificate of Lawful Proposed Development (CLOPUD), submitted under Class A of Schedule 2, Part 1 of the General Permitted Development Order 2015 (as amended). The application is also submitted in accordance with Section 192 of the Town and Country Planning Act 1990 (as amended) and seeks confirmation from the Local Planning Authority that the development proposed under Class A of Part 1 is permitted by the Town and Country Planning (General Permitted Development Order), as amended. The application seeks a CLOPUD to confirm that the alterations to the existing dwelling within the residential curtilage would be permitted development under Class A of the GPDO. Works proposed include erection of a single storey rear extension. The proposed works are shown on drawing -Single Storey Rear Extension. Class A of Schedule 2 to the GPDO provides permitted development rights for "the enlargement, improvement, or other alteration of a dwelling house". Development is only permitted where it would comply with the set of requirements set out at Part A.1, which state that: the height of the part of the dwelling house enlarged, improved, or altered would not exceed the highest part of the roof of the existing dwelling house; the height of the eaves of the part of the dwelling house enlarged, improved, or altered would not exceed the height of the eaves of the existing dwelling house; the enlarged part of the dwelling house would not extend beyond a wall which forms the principal elevation of the original dwelling house or a wall which fronts a highway and forms a side elevation of the original dwelling house; the enlarged part of the dwelling house which is single storey would not extend over 4m from the rear wall of the original dwelling house; the eaves of the enlarged part of the dwelling house would not exceed 3m in height where they would be within 2m of the boundary of the curtilage of the dwelling house; the enlarged part of the dwelling house would not extend beyond a side wall of the original dwelling house and exceed 4m in height, have more than a single storey, and have a width more than half the width of the original dwelling house; would not consist of or include, the construction of a verandah, balcony, or raised platform; a microwave antenna, chimney, flue, or soil or vent pipe; or any alteration to any part of the roof of the dwelling house. The application seeks confirmation that the proposed extension as set out in the accompanying drawing submitted as part of this application do not require planning permission. It is considered that on the basis of the information provided above, and the details shown on the drawing accompanying the application, that the proposed development complies with the requirements of Class A of Schedule 2, Part 1 of the GPDO.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
