John,

Ventry Court 523 Barlow Moor Road Manchester M21 8AQ - 131083/TPO/2021

I have viewed the proposals (Below) and I can confirm that the works would be considered routine in order to ensure the tree is structurally safe.

T1. Chestnut - Crown lift to approx 5m, reduce longer, heavier limbs on car park side by approx 2m to reduce risk of failure, reduce to clear phone lines

We would have no objection to the proposed pruning works on this site, subject to all work being carried out in accordance with BS:3998.

Kind regards
