Description

Installation of one of the below

Porsche Charging Dock (If wall mounted)
Purchase Compact charging Pedestal (If Floor-mounted)

Scope of works

- 6mm 3 core SWA to be run from the o-pen device fitted in the meter cupboard area
- The cable will be drilled through the wall then clipped up the exterior of the building
- 6mm 3 core SWA run at high level clipped discreetly to the underside of the walkway.
- Once we have reached the end of the walkway it will be drilled through the wall into the covered parking area.
- The cable will then be clipped along at a high level to the customer's parking bay
- where it will be terminated either in the wall-mounted or floor-mounted unit depending on the wishes of the building owners.
