Part 1 – Particulars of the application/development

Proposal: Change of use from single dwellinghouse (Use Class C3a) to two self contained flats (Use Class C3a)

Location: 15 Waverley Road, Manchester, M9 4LX

Date of application: 19 August 2021

Application number: 131442/FO/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have attempted to work with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed change of use to flats would lead to the loss of a family dwellinghouse and negatively impact on the supply of good sized family accommodation in the area. This in turn would undermine the aim of achieving an appropriate balance of housing provision in the locality and the objective of achieving a sustainable and cohesive housing market and an area. The proposal is therefore contrary to the provisions of Policies H3, DM1 and SP1 of the Manchester Core Strategy.

2) The proposed conversion of the property to create 2 separate residential units would result in an over-intensive use of the property. The consequential increase in the level of occupation, would facilitate increased comings and goings, noise, disturbance, demand for waste storage, demand for on-street parking and lack of amenity space. This would be harmful to the amenity and living conditions of neighbouring residential occupiers, contrary to saved policies DC5 and DC26 of the Unitary Development Plan for the City of Manchester, policies DM1, T2, and SP1 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).

Date: 14 October 2021

If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
