

General Note

* Drawn information based on West Coast survey last issued July 2016 and SEP survey issued 22.08.18 (Basement areas). All dimensions are to be checked on site with any discrepancies report to the architect prior to the works being carried out.

All works to be in accordance with the planning approval and any subsequent approved local authority planning correspondence including drawings, documents and reports.

All works are to comply with Building Regulations, British Standards, Code of Practice and any local statutory requirements.

All products specified are to be installed strictly in accordance with the manufacturers recommendations, specification and details.

To be read in conjunction with 5plus existing, demolition and proposed plan, elevation and section drawings. Drawing to be printed and read in colour.

For all structural works refer to Shepherd Gilmore information.

For all services works refer to Cundall information.

For fire strategy refer to Exova information.

For all landscape works refer to LAYER information.

For all acoustic design refer to Hann Tucker information.

All front of house finishes subject to further input from Interior Designer.
