

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Construction of single storey side and rear extension following the demolition of an existing side extension

Location: 25 Woodfold Avenue, Manchester, M19 3AP

Date of application: 30 June 2021

Application number: 130816/FH/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

The local planning authority have worked with the applicant in a positive and proactive manner based on seeking solutions to problems which arise during the determination of the planning application. This includes the identification of issues and 'problems' associated with the proposals that have required positive consideration, dialogue and negotiation to secure positive outcomes. Officers have worked with the applicant in a positive and proactive manner in order to achieve solutions to problems arising from the consideration of this planning application. In this instance, matters relating to noise insulation, and working in proximity to a main rail line were raised with the agent and the appropriate conditions have been attached.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Location plan ref: 2021/04/04 received 22nd June 2021;

Demolition of existing single store to the side and construction of Single Storey Side and Rear

Extensions. Sections Sheet 3 of 3 2021/04/03 rev.P2 (notwithstanding sections C-C and D-D); received 7th August 2021;

Demolition of existing store to the side and construction of Single Storey Side and Rear Extensions. Existing & Proposed Plans Sheet 1 of 3 ref: 2021/04/01 rev.P2; received 29th September 2021;

Demolition of existing store to the side and construction of Single Storey Side and Rear Extensions. Existing & Proposed Elevations and Proposed Roof Plan Sheet 2 of 3 ref: 2021/04/02 rev.P3; received 29th September 2021;

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

3) The external facing materials to be used on the extensions hereby permitted shall match those of the existing buildings in terms of type, colour, texture and scale.

Reason - To ensure that the appearance of the building to be extended is not adversely affected by the materials to be used in the construction of the extension, pursuant to saved policies DC1 of the Unitary Development Plan for the City of Manchester and Policy DM1 and SP1 of the Manchester Core Strategy(2012).

4) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no windows or doors shall be inserted into the elevations of the extension hereby approved other than those shown on drawing

Demolition of existing store to the side and construction of Single Storey Side and Rear Extensions. Existing & Proposed Plans Sheet 1 of 3 ref: 2021/04/01 rev.P2; and Demolition of existing store to the side and construction of Single Storey Side and Rear Extensions. Existing & Proposed Elevations and Proposed Roof Plan Sheet 2 of 3 ref: 2021/04/02 rev.P3; received 29th September 2021;

Reason - In the interests of residential amenity pursuant to policy SP1 and DM1 of the Manchester Core Strategy (2012).

5) Before the development commences a scheme for acoustically insulating the proposed residential accommodation against noise from the mainline railway shall be submitted to and approved in writing by the City Council as local planning authority. There may be other actual or potential sources of noise which require consideration on or near the site, including any local commercial/industrial premises. The approved noise insulation scheme

shall be completed before any of the extension is occupied.
Noise survey data must include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary.
Due to the proximity of the development to the mainline railway vibration criteria shall also apply as per BS 6472: 2008 "Guide to evaluation of human exposure to vibration in buildings". Groundborne noise shall also be factored into the assessment and design.

b) Prior to first occupation of the residential accommodation, a verification report will be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that the internal noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the internal noise criteria.

Reason- To secure a reduction in noise from the railway in order to protect future residents from noise disturbance, pursuant to policy DM1 of the Manchester Core Strategy (2012), and saved UDP policy DC26.

6) Before first occupation the window to the toilet in the southern elevation of the proposed rear extension, and the shower room in the southern elevation of the side extension shall be obscurely glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent properties from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Manchester Core Strategy (2012).

Informatives

This decision relates to the extension or improvement of an existing dwellinghouse, falling within Class C3 of the Town and Country Planning (Use Classes) Order 1987 (as amended) and does not infer or imply approval for the use of the property for any other purpose.

Manchester City Council has made an Article 4 Direction to remove permitted development rights that allow for a change of use from Class C3 - *Dwellinghouses* to Class C4 - *House in Multiple Occupation*. This means that from 8 October 2011, planning permission is required for a change of use from a Dwellinghouse to a House in Multiple Occupation. Further information regarding the Article 4 direction can be found on Manchester City Council's website:

www.manchester.gov.uk/info/200074/planning/4847/article_4_direction

If you intend to use the property to which this decision relates for any purpose other than a dwellinghouse, you should first contact Manchester City Council's Planning Service. Failure to obtain any necessary planning permission prior to carrying out a

material change of use or physical development could result in enforcement action being taken, which can have serious implications.

This permission does not grant approval under Building Regulations.

In the event that ground and/or groundwater contamination and/or ground gas are encountered on the site before the development is occupied, the developer is advised to cease works and contact Environment On Call on 0161234 5004 or email contact@manchester.gov.uk for advice on how to proceed.

Construction/demolition works shall be confined to the following hours

Monday - Friday: 7.30am - 6pm

Saturday: 8.30am - 2pm

Sunday / Bank holidays: No work

Date: 8 October 2021

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
