Dear Sir/Madam,

Application under Section 96a of the Town & Country Planning Act 1990 (as amended) for a Non-Material change to a planning permission

Application No: 131516/NMC/2021

Description: Non Material Amendment to planning permission 129739/FH/2021 to allow for changes to the materials to be used in the construction of the dormer.

Location: 7 Belwood Road, Manchester, M21 8BS

I refer to your application for a non-material amendment to planning permission reference .

The proposed amendments relate to a minor elevational alteration to the proposed dormer, which consists of the replacement of zinc cladding to the cheeks and face with grey composite cladding.

Following an assessment of the details and plans submitted, I can confirm that the proposed amendment is considered to be of a non-material nature and acceptable to the City Council as Local Planning Authority. The City Council is satisfied that the proposed change will not have any significant or detrimental impact upon residential and visual amenity or the character of the area.

Therefore I can confirm that the proposed amendments are hereby **approved**.

It should be noted that this letter of consent does not supersede the decision notice attached to planning permission . These documents should be read in conjunction with one another. Therefore, the conditions previously applied to approval still apply to this development. However, due to the acceptance of the amendments outlined above, the following amended conditions also now apply:

1) The development hereby approved shall be carried out in accordance with the drawings numbered '04', '05' and '06', stamped as received by the City Council as Local Planning Authority on the 31st August 2021.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Core Strategy.

Should you wish to discuss the matter further, please contact Constance Phillips using the details above.

Yours faithfully,
