

A horizontal number line representing distance in meters. It starts at 0m on the left and ends at 10m on the right. There are major tick marks at 0m, 5m, and 10m. Between 0m and 5m, there are four minor tick marks, dividing the 5m segment into five equal parts of 1m each. Similarly, between 5m and 10m, there are four minor tick marks, also dividing the 5m segment into five equal parts of 1m each. This means there are tick marks every 1m along the entire line.
