636 Wilmslow Road, Didsbury Tree Preservation Order [TPO] 1994

Documents and plans (for any tree)

A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes).

It would also be helpful if you provided details of any advice given on site by an LPA officer.

Are you providing additional information in support of your application (e.g. an additional schedule of work for question 'Identification of Tree(s) and Description of Works')? ☒ Yes ☐ No

5. Identification of Tree(s) and Description of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out.

You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work.

Where trees are protected by a Tree Preservation Order, please number them as shown in the First Schedule to the Tree Preservation Order where this is available. You should use the same numbering on your sketch plan (see help for sketch plan requirements).

Please provide the following information:

- Tree species
- The number used on the sketch plan); and
- A description of the proposed works.

Where trees are protected by a Tree Preservation Order you must also provide:

- Reasons for the work; and where trees are being felled
- Proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

e.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with one standard ash in same position.

T1 and T2 Beech (TPO'd) - Prune to obtain up to 3m ground clearance over the lawn and up to 2m clearance from the house walls/roof

T3 and T4 Beech - Prune to obtain up to 3m ground clearance over the lawn and public footpath. Carry out a radial crown reduction of 2-3m

T5 Lime - Remove epicormic shoots from stem and crown lift to 4m

T9 Holly - Fell to ground level. The tree is a poor specimen and has minimal future growth potential as a result of suppression from adjacent trees.

T10 Lime - Branches almost in contact with house roof - recommended 2-3m clearance by shortening of branches

6. Tree Ownership

Is the applicant the owner of the tree(s)? ☒ Yes ☐ No

7. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent. ☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
