PROPOSED STAFF TRAVEL PLAN

CAR SHARE	WALKING	VEHICULAR	PUBLIC TRANSPORT
4	16	13	13

46 total proposed staff on site

Recruitment will be focussed primarily on available staff in the local area enabling either walking or use of public transport to reduce reliance on vehicular use.

SERVICING

(INFORMATION PROVIDED BY THE EMPLOYERS)

our working time is 8am to 5pm

We have 4-5 containers* average daily delivering to us for goods in and again 5-6 trucks daily collecting the goods from us also occasionally service contractors for work on alarms/fire pumps/repairs/waste collections attend the site when needed.

*containers will be 20/40ft and all the trucks will be various sizes as per requirements.

* These refer to articulated container trucks as noted above
