Notes

The following strategy should be prepared using the guidance document available from:

<http://www.manchester.gov.uk/opsservices/rubbish/developers.htm>

1. Number of bins proposed?

- Please provide details of the number of bins proposed and how this was calculated.

Standard 120 ltr bins for general refuse and recycling including brown for glass and plastic bottles / containers and 120 ltr blue bins for paper and cardboard.

2. Bin storage area

- Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point.
- Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.

All to be stored externally on shared access road and wheeled along to the highway which is approx 10m away

3. Bin collection arrangements

- Bins will be collected by a private refuse management company on a weekly basis
