

Rear Extension at 5 Symond Road, M9 6GS

Written Statement of Support from Neighbour

This statement is to support the planning application for the rear extension at 5 Symond Road.

I am the owner and occupier of the adjoining property at 3 Symond Road.

I have been invited by my neighbour (the owner/occupant of 5 Symond Road) to view the design proposals for a new extension to the rear of their property as per this planning application, to be submitted Summer 2021.

I would like to express my support for this proposal. I can confirm that I have no objections or concerns, including regarding overshadowing of the extension over my property.

Should you require anything further, I can be contacted at:

Address: 3 Symond Road, Blackley, Manchester M9 6GS
