Hi Graham

Thank you very much for sharing the Written Scheme of Investigation for the site on Arundel Street. This reads fine to me and, when GMAAS is consulted by the Case Officer, I will be pleased to advise that the document has secured our approval.

I look forward to the fieldwork commencing in due course.

Kind regards

Subject: Arundel Street Evaluation

Hi Ian,

My client has asked me to produce a WSI for the evaluation at Arundel Street, Hulme. Would you mind having a look through and letting me know whether it meets with your approval or if you require any changes.

Kind regards

Graham
