Part 1 – Particulars of the application/development

Proposal: Part retrospective application relating to alterations to existing roof configuration to form dormer windows to front and rear and erection of single storey rear extension and single storey side extensions to the north and south elevations of the dwellinghouse, erection of a detached single storey outbuilding and associated boundary treatment

Location: 331 Mount Road, Manchester, M19 3HW

Date of application: 28 March 2022

Application number: 131893/FH/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. In this instance a solution that was acceptable to both the Local Planning Authority and the applicant could not be reached as the nature of the proposal was considered to be unacceptable.

Reason(s) for decision

1) The retention of the proposed second floor rear extension (as built) is not acceptable as it would lead to the retention of a bulky structure at roof level which would be out of character with the detached dwelling in a location visible in the wider streetscene due to the prominent location of the application site close to the Mount Road and Sandfold Lane junction, resulting in adverse impacts to visual amenity

contrary to the provisions of saved policy DC1 of the Unitary Development Plan for the City of Manchester (1995), policies EN1, SP1 and DM1 of Manchester's Core Strategy Development Plan Document (2012).

2) The applicant has failed to provide accurate floorplans and elevational drawings of the proposed development , and the level of detail is not sufficient to fully assess all the potential impacts of the proposal to the neighbouring properties . The proposed development is therefore contrary to the provisions of saved policy DC1 of the Unitary Development Plan for the City of Manchester (1995), policies EN1, SP1 and DM1 of Manchester's Core Strategy Development Plan Document (2012) .

Notes

1. This decision relates only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of this decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 12 weeks).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
