Application No.

131155/LP/2021

The Manchester City Council hereby certify that on 27 July 2021 the use described in the First Schedule hereto in respect of the land specified in the Second Schedule hereto and more particularly identified on the plan attached to this certificate, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason:

The proposed installation of three Air Source Heat Pumps is wholly internal within the building. The proposed works do not therefore constitute development and planning permission is not therefore required.

Date: 13 August 2021

1. This certificate is issued solely for the purposes of section 192 of the Town and Country Planning Act 1990 (as amended).
2. It certifies that the use specified in the First Schedule, taking place on the land described in the Second Schedule, is lawful.
3. This certificate is issued solely to the extent of the use described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
4. The effect of the certificate is also qualified by the proviso in Section 192 (4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
