

Images taken from investigation (Arup) highlighting the complexity of the new design

ARUP COMMENTS:
 Project No. 256650
 Title: LG Crash Deck - Purcell-EWN-000263
 Date: 16/4/2021
 By: SC

Current

- Areas of removal
- Areas for further review on site
- Areas retained as part of visitor experience

agreed on site walk around 03.03.21 that areas of red are due to riser locations and unable to retain due to services

agreed on site walk around 03.03.21 it would be deemed unethical to reinstate as it would become a bit like "Disney land"

Proposal for area to go to red due to major implications on design re-coordination

Proposal
