DO NOT SCALE
Work to annotated dimensions only.
Read drawing in conjunction with relevant specification,
Structural Engineers' and Services Engineers' drawings.
Confirm all dimensions before commencement of any
work on site or fabrication.

revisions + notes:
REV. P1 17/03/2021 First issue
REV. P2 01/04/2021 PLANNING ISSUE
REV. P3 17/08/2021 Modified in response to
Conservation Officer comments to
maximise number of exposed
column heads in apartments and
corridors

- Existing masonry vaulted ceiling exposed, repointed and made good. Fire integrity of existing floor structure to be determined by specialist engineer. Any additional fire protection measures to be agreed with Heritage England and Local Planning Authority
- Plasterboard suspended ceiling
- Existing wrought iron beam and cast iron columns to be fire protected with intumescent paint. Decorative finish required where ironwork will be visible
