John,

169 Brooklands Road Brooklands Manchester M33 3PD - 130795/TCA/2021

I have visited the site and unfortunately, I was unable to gain access to the sides of the property, however, due to this fact, It is apparent that there would be no objection to the proposed removal of the self-set trees.

The early mature Beech tree pruning proposal would not have a negative impact on the tree.

We would have no objection to the proposed works on this site.

Kind regards
