Part 1 – Particulars of the application/development

Proposal: Retrospective application for the installation of a canopy to the Bury Old Road elevation, together with elevational alterations and installation of roller shutters.

Location: 18 Bury Old Road, Manchester, M8 9JN

Date of application: 15 April 2021

Application number: 128922/FO/2020

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have attempted to work with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The canopy, by virtue of its position forward of the main building line to Bury Old Road, coupled with the use of materials, creates an unduly intrusive and unattractive feature in the street-scene along a key radial route, to the detriment of visual amenity. The proposed development is therefore contrary to saved policy E3.3 of the Unitary Development Plan for the City of Manchester, policies DM1, EN1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).

2) The proposed roller shutters to the front and side elevations of the host building, together with the associated external, box housing, is of an intrusive, negative appearance, which by virtue of their prominence, design and use of unsympathetic, solid materials, has detrimental impact on the character and appearance of the street scene ,adjacent to a key arterial route. This in turn fails to improve the character and quality of the area in which the premises located. As such, the proposal is contrary to saved policy E3.3 of the Unitary Development Plan for the City of Manchester, policies DM1, EN1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).
