Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: i would like to object to this planning application on the grounds that there are not enough schools in the area for the children that already live in the area. Also the GPS in the area are over subscribed.

Sale rd is a very busy road particularly at rush hour times and more cars from 280 homes would make the Traffic intolerable. Adding more pollution to the area. There are also lovely trees round the college benefitting wild life habitat, the new build would have an adverse effect on this

I did receive a letter which said I had to write in unfortunately I have mislaid it. If you will only accept my objection by letter please can you email me.
