Part 1 – Particulars of the application/development

Proposal: Erection of first-floor rear extension on top of existing single-storey to form additional storage area for existing pharmacy

Location: 117B Withington Road, Manchester, M16 8EE

Date of application: 12 April 2021

Application number: 129729/FO/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal would not improve the social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) Having regard to the pattern of development found in the area the proposed first floor rear extension by reason of its scale, design and prominent location would have a detrimental impact on the character of the Whalley Range Conservation area and the area in general. The proposed development is therefore contrary to the provisions of Core Strategy policies DM1 and EN3 and saved Unitary Development Plan policy DC18.

2) The proposed first floor rear extension by reason of its scale, position on the site boundary and orientation would have an overbearing impact on the first floor window in the rear elevation of the outrigger and the rear yard of the attached property. The proposed development is therefore contrary to the provisions of Core Strategy policy DM1.

Date: 11 June 2021
