John,

**23 Green Walk Manchester M16 9RE - 131015/TCA/2021**

I have viewed the photos of the Holly and I can confirm this is a small multi-stemmed specimen with limited to no visibility from the road.

There does not appear to be any explanation for the removal of the tree, however, given that the tree would not be worthy of TPO status we would have no objection to the removal of this tree.

Kind regards
