Dear Sir/Madam,

Planning Portal Reference: pp10023320v10SQ
Brunswick PFI: Brunswick Neighbourhood, Manchester, M13 9UP.
Discharge of condition application seeking the partial discharge of conditions 5 and 8 attached to planning permission 118379/JO/2017.
Date of submission 09 July 2021

Since making this application it has been confirmed that condition 8 has in fact been discharged for some plots the letter (submitted via the portal) suggested were not discharged:

- Plot 178 was approved under CDN 19/1017. The attachment '[Letter and technical appendices dated 9th October 2019 from Redstart regarding Soil Validation of plot 178](#)' can be discarded from this application as it is already approved. If the application form can be amended to match please?
- Plots 221 to 228 also had Condition 8 discharged under CDN 19/1017 and therefore will not need approval as part of a future application.

The attached cover letter is amended to reflect the position and I would be grateful if this can be substituted for the portal version. Please accept my apologies for any convenience caused.

Regards

Dave
