A modern bedroom with a large skylight, built-in shelves, and a bed with a purple headboard. The skylight is a large, rectangular opening in the ceiling, providing a view of the outside world. The built-in shelves are white and hold various items, including books, a hat, and a small plant. The bed has a white duvet and several patterned pillows. The headboard is a deep purple color. The room is well-lit, with natural light coming from the skylight.
