Garden Waste	140 / 240	1 x wheeled bin	1 x 240 litres
Food Waste	23	1 x 23 litre caddy	1 x 23 litres caddy

High Rise Apartment Developments

	Yes/No - how much space has been provided?
0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	N/A

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste -	
Pulpable Recycling -	2no. 1100L and 2no. 240L bins.
Mixed Recycling -	
Food Waste -	
Industrial Waste -	

Has / will a contract be obtained with a licenced waste carrier?
--

Mixed Use Developments

Are the stores for residential and commercial separate from each other?

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

N/A - bin store is external.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Refuse will remain in the enclosed bin store until the day of collection, where bins will be moved to kerbside (65m).
See drawing A1340(02)001 for location.
Refuse vehicle to be parked on Barlow Moor Road, within 5m from the kerbside.

Ensure all bins in the store are accessible

Ensure recycling facilities are as easy to access as general refuse

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation -	Bin store to be located externally and will have an open top for natural ventilation
Hygiene -	The bin store will be constructed from durable materials that are easy to clean and wash down

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

Management company and Residents
