Good morning,

Following a visit to your premises from GMP and MCC Licensing, MCC licensing do not have any objections to the external space of the venue being used for a seating area and for drinks to be served in that area. We are satisfied that the premises, and the external space will be consistently managed and will not undermine the four licensing objectives.

MCC Licensing have no concerns for your planned use of an external seating area.

Kind Regards

Niall Johnson - JP, LLM, MCIEH
