Notes

The following strategy should be prepared using the guidance document available from:

<http://www.manchester.gov.uk/opservices/rubbish/developers.htm>

1.	Number of bins proposed? Please provide details of the number of bins proposed and how this was calculated. 1 no. 1100litre Euronbin to be retained for general refuse. Additional recycling bins to be introduced including 1 brown bin for glass bottles cans and plastic and 1 no. blue bin for paper, magazines, junk mail and card board.
2.	Bin storage area - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so. Existing euro bin is stored externally on shared access road and is wheeled along to the highway which is approx 10m away
3.	Bin collection arrangements Bins will be collected by a private refuse management company on a weekly basis
