Sworn declaration by Around Town Flats. Property used by up to 6 tenants for the period 01.07.2011 to 30.06.2012

Issues

The applicant has supplied copies of tenancy agreements covering the period 1 July 2010 to 30 June 2022 with a gap between 2011 and 2012. This period is covered by a sworn declaration from Around Town Flats who manage the property. The tenancy agreements and sworn declaration show that the premises have been used by 6 unrelated persons throughout this period. On the balance of probability it is therefore considered that the Certificate should be granted.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Condition(s) to be attached to decision for approval OR Reasons for recommendation to refuse

1) From the evidence available and the planning law applicable to the property, Manchester City Council is satisfied that in relation to the property referred to in the Second Schedule hereto, the use of the premises as a House in Multiple Occupation within Class C4 of the Town and Country Planning (Use Classes) Order (as amended), described in the First Schedule, is lawful by reason of the said use having been in existence for since prior to the introduction of the City Council's Article 4 Direction, introduced on 8th October 2011, relating to Houses in Multiple Occupation.
