Work Specification and plan

Tree no	No./ Qty	Species	Location	Action 1	Comments
T1	1	Lime	Car park	RCP	Remove the lowest 2 limbs that head towards the house across the path, this overhang is dwarfed by the path side poplar trees
T2	11	Sycamore	Rear boundary	RCP	Forked tree, remove the 2 lowest limbs, this reduced the tree away from the building and lifts the crown up
G3	2	Cherry Thorn	Entrance	LCC	Lift the trees at the entrance to 6m over the driveway to clear any delivery vans entry

T1 is a response to a neighbours complaint about the overhang

T2 and G3 are routine maintenance
