Details of the pre-application advice received

Dear Sakib,

Further to our email exchange a few weeks ago, I visited 17 Dennison Avenue on 26 April and observed that the extensions were being built in accordance with the approved plans, in terms of scale and siting. However, the window and door openings varied slightly and my advice would be to submit a non-material change application to regularise the amendments.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
