

This drawing is generated from survey information provided by others.  
It is intended as general arrangement drawing only to illustrate existing floor heights and building cross section only.  
Structure inferred above ceiling lines is indicative and subject to confirmation.  
All contractors, subcontractors and/or specialists are responsible for taking and checking all dimensions relating to their work on site.

|                                                                                       |                                                                                                                                                                                                                                                |
|---------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Maintained irrigated live planting in linear troughs fixed to roof to drape over edge.                                                                                                                                                         |
|  | Existing hvac plant removed & replaced with new acoustically lined and attenuated smaller units                                                                                                                                                |
|  | Existing profiled concrete and inset louvres painted Green-Colour: 70GY 14/187 Dulux Trade Tuscan glade 1.                                                                                                                                     |
|  | Existing profiled concrete wall sections painted Grey Green-Colour: 50GY 40/064 - fresh foliage                                                                                                                                                |
|  | Kitchen Garden formed on the conference room roof (See plans)<br>Existing roof to be provided with self contained planting boxes, beehives and planting to provide fresh produce for use in the hotel kitchens. All built over new paved deck. |
