Description of site/building

Listed building: Grade II

Conservation area: Upper King Street (Extension) Conservation Area 1985

Tree Preservation Order:

The application site is The Chancery, located at 58 Spring Gardens-Manchester. The site comprises a five-storey building. The application affects the Second Floor of the Grade II listed building, The Chancery. The site is within the Upper King Street Conservation Area.

The building comprises part of the Grade II listed Chancery Chambers, List UID: 1197810, which also consists of 1 Chancery Lane and 55 Brown Street. The building is currently used as offices following a recent internal alteration.

The Chancery is situated in a prominent location fronting Spring Garden, in the heart of Manchester City Centre. The building is delimited to the North by Chancery Lane, to the West by Brown Street, to the South by Booth Street and to the East by Concert Lane.

The wider area surrounding the site is mixed use in nature reflecting its city centre location.

This application is for full planning permission for "External alterations associated with the Italian Consulate, namely the erection of 2No. flagpoles above the existing main entrance and the installation of the Italian Crest to the main entrance column."

The proposed external alterations involve:

- o The erection of 2 flagpoles above the existing main entrance on Spring Gardens; and,

- o The installation of a bronze crest to the main entrance column on Spring Gardens.

The flagpoles and crest relate to The Chancery's 2nd floor's use as the Italian Consulate's Manchester office. This Use was recently approved (app ref 128838/FO/2020).

The flagpoles will be mount resin fixed into the existing wall.

The proposed bronze crest to the main entrance will be mounted to a bespoke bronze support which will be mechanical fixed to the entrance column to the right-hand side.

Description of area

Description of development

Consultations & Notification Responses

Publicity - The application has been advertised in the Manchester Evening News as: affecting a Conservation Area and as application for Listed Building Consent. A site notice was displayed and the occupiers of nearby properties have been notified.

No representations have been received as a result of this publicity.

Highways - have noted that the flag poles overhang the adopted highway in excess of 0.35m and will therefore require a projection over license.

Issues

The main issues for consideration relate to the impact of the proposals on visual amenity and public safety. The main policies that relate to the proposal are Section 12 (Achieving well-designed places) and Section 16 (Conserving and Enhancing the Historic Environment) of the National Planning Policy Framework, Policies SP1 (Spatial Principles), EN3 (Heritage), CC9 (Design and Heritage), CC10 (A Place for Everyone), EN1 (Design Principles and Strategic Character Areas) and DM1 (Development Management) of the Adopted Core Strategy for the City of Manchester and saved policy DC14 (Shop fronts and related signs), DC18.1 (Conservation Areas) and DC19.1 (Listed Buildings) of the Unitary Development Plan for the City of Manchester.

Visual Amenity - The opposite side of The Chancery displays two flags associated with its use as the Spanish Consulate. The Spanish consulate has also been granted permission to display a crest. Given the character of the surroundings, it is considered that the addition of Italian flags would be consistent with the exteriors of surrounding buildings.

There is an existing banner on the outside of the premises and the addition of two flags could lead to an unacceptable level of visual clutter on the building. In view of this the management company for the building have been contacted with a view to removing the banner.

The proposed bronze crest to the main entrance will be oval shaped with a maximum diameter of 0.75 metres and minimum diameter of 0.4 metres. The crest is considered to be acceptable in terms of visual amenity

Highway Safety - Highways have noted that the flag poles overhang the adopted highway in excess of 0.35m and will therefore require a projection over license. An informative will be attached to this permission to make the applicant aware of the need for a projection over license

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application. In this case, correspondence took place with the agent regarding the level of signage at the site.

Condition(s) to be attached to decision for approval OR Reasons for recommendation to refuse

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Drawings

Flagpole detail (00)-0004
Crest Detail (00)-0005

Location Plan (00)-0001 all received by the City Council as Local Planning Authority on 15th February 2022

Proposed Elevations (00)-0003 A received via the email from Emily Davies of 10th May 2022

Documents

Design and Access Statement dated August 2021

Planning and Heritage Statement dated February 2022 by Avison Young both received by the City Council as Local Planning Authority on 15th February 2022

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

Informatives

1) The flag poles overhang the adopted highway in excess of 0.35m and will therefore require a projection over license. The license is obtainable via Contact Manchester 0161 234 5004 and is to be funded at the applicants expense.

2) The applicant is advised that access arrangements and any requirements for licensing, hoarding / scaffolding and any associated temporary traffic management arrangements will require discussion and agreement with MCC Highways Applications and Network Resilience teams via Contact Manchester highwayapplications@manchester.gov.uk (Tel. 0161 234 5004).
