

168 Lloyd Street South,
Manchester, M14 7DY

Re: Planning application at 170 Lloyd Street South, Manchester, M14 7DY

FAO: Manchester Planning Department,

I have considered the plans for my neighbour's planning application, and I can confirm that I wholly support them.

The proposed extension will not impact upon my quality of life, and I feel that it will enhance the area and also the value of the street.

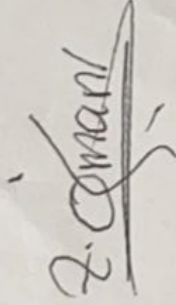

I understand that my neighbour needs to carry out the extension due to a growing family. I hope that the Council can help them in this matter.

I have no objections to the proposal and look forward to my neighbours Approval.
