NOTES

- Please note that there are areas with limited access. Some areas may differ from the survey information.
- All dimensions to be checked on site and any discrepancies to be highlighted prior to construction.
- If in doubt about any element of the works, please consult the Architect before proceeding. Any proposed works that deviate from this drawing are to be reviewed by the Architect prior to carrying out these works.
- Special care to be taken when working adjacent to heritage features such as mosaic tiles or brick floors to stair cores, so as not to disturb or damage these features. Ensure adjacent elements are not damaged.
