Date: 6 June 2022

Dear Sir/Madam,

Application No: 133600/TCA/2022

Intent to carry out works to trees at 1 Rufford Road, Manchester, M16 8AE

Further to your request to carry out works to trees located at the above address, the City Council's arboricultural staff visited the site and inspected the trees. With reference to their advice, consent is hereby **granted** for the following work:

The City Council have no objections to the proposed pruning works to a Hawthorn and a Conifer which are located in neighbouring gardens at 23 and 25 Whalley Road, as indicated in the submitted details and plan. For the avoidance of doubt consent is only granted for the reduction of lateral branches only, no reduction in the trees height should be carried out.

Permission should be sought from the owner of the tree before works commence.

Please note consideration should be given when removing trees at this time of the year to the potential for nesting birds to be present, and all none safety critical works should be delayed until August/September if activity is noted.

All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

In accordance with The Town and Country Planning (Tree Preservation) (England) Regulations 2012 (as amended), this consent is granted for a period of two years from the date of this letter.

Should you wish to discuss this matter any further please contact John Kelsey.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Julie Roscoe', with a stylized, cursive script.
