Dear Sir or Madam,

Class A, Part 1, Schedule 2 of the Town & Country Planning (General Permitted Development) (England) Order 2015 (as amended)

Application No.: 133574/PDE/2022

Description: Prior notification of proposed larger home extension projecting 4.04m to the rear with a maximum height of 3.75m and a height at eaves of 2.45m

Location: 26 St Werburghs Road, Manchester, M21 0TJ

The above application was submitted to us on 19 April 2022.

When assessing the criteria of the larger homes extensions under Schedule 2, Part 1, Class A of the above Order, the proposal must comply with all of the requirements to be permitted development; this includes all conditions, limitations or restrictions.

This proposal is shown as being joined to the existing outbuilding in the rear garden and as such when joined to the existing outbuilding, the total enlargement would result in the development extending beyond the rear wall by more than 6m. Accordingly, the proposal would not meet the criteria of Schedule 2, Part 1, Class A, as a result of the limitations under sub-paragraph (g).

The proposal does not satisfy all the conditions and limitations and is therefore not permitted under the Order and an application for planning permission is required.

This letter is to be treated as a refusal of this application, in accordance with paragraph A.4(3) of the Order, and as such you have the right of appeal under Section 78 of the Town & Country Planning Act 1990 (as amended). Any such appeal must be submitted using the Planning Inspectorate's website at <https://acp.planninginspectorate.gov.uk/> within 12 weeks of the date of this letter.

Alternatively, if you wish to proceed with the proposed extension, you would need to submit an application using the 'Householder Application for Planning Permission for works or extension to a dwelling' forms and pay the requisite fee, which is currently £206.

Should you wish to discuss this matter any further please contact Adam Neil.

Yours faithfully,
